

INDUSTRIÁL WÁLKY

SEVEROČESKÉ MUZEUM V LIBERCI

14. 6. - 2. 9. 2012

A stylized, high-contrast illustration of an industrial landscape. The scene is dominated by dark silhouettes of factory buildings and tall smokestacks. Thick, dark smoke billows from the stacks, filling the upper portion of the frame. In the background, a lighter, hazy sky features several small, dark silhouettes of aircraft flying across. The overall aesthetic is graphic and evocative of the industrial revolution and its impact on the environment.
